

INOPOOL INO-SURFACE SKIMMER

INNOVATIVE POOL PRODUCTS

SONIC WAVE TECHNOLOGY
Radar sensors control velocity preventing damage to pool walls & liners.

AUTOMATIC DEBRIS REMOVAL
Large leaves, twigs, bugs & other floating debris

EXTRA-LARGE DEBRIS CHAMBER

Product Model	SKM2	Filtering Capability	860 SQ/FT (80 m ²)
Rated Voltage	11.1V	Solar Panel Power	10W
Power	8W	Filtering Density	450um
Cruising Ability	Over 180 minutes	Movement Speed	5-10 meters/minute
Rated Input Voltage of the charger	100-240VAC	IP Code	IPX7
Rated Input Frequency of the Charger	50/60HZ	Swimming Pool Water Temperature	50°F -95°F (10°C -35°C)
Rated Output Voltage of the Charger	12.6VDC	Motor Type	brushless
Rated Output Current of the Charger	1.0A	Size	535(U)*465(W)*180(H)MM
Battery Capacity	2500mAh	Weight	4.8kg
Charge Time	2-3 hours	Storage Temperature	-4°F ~113°F (-20°C ~45°C) RH≤75%

RECHARGEABLE
Chargeable option for long periods of cloudy weather.

POWERFUL SUCTION
Salt-resistant dual SCT motors for enhanced suction & debris collection
